-In Synamon-

VR SaaS Company

**Develop VR Collaboration Service with Unity.
Improve engineering team.**

3D IMPORTER

In TX

- Develop tx-cockpit UI/UX
- Make cockpit in Delivery project (by KDDI)

I guess that UI/UX improvements doesn't need only self view but also many views

So, if you have some feedbacks about cockpit UI/UX,
Please let me know it.

Others

- Currently, I am learning English.

If my English is strange or there are better English,
please tell me.

In TX, my first time to speak and discuss by English everytime.

For this about 2 months,
I am very grateful for everyone about your helps.
Especially, Genki-san, Jake, Wilson, Mathilde and Pablo.

I still have something I don't know yet.

I'm looking forward to working with everyone.

If there are any strange English
Please let me know..
